It's a sad news, that Novum CUP can't be repeated

reasons: the Hungarians have great problems with using their wellknown flying fields, due most are now special National Park and/or Natura 2000 area (21% of the country!) and therefore high administrative work for receiving autorization necessary. Tapolca using in June without knowing about autorization necessity lead to a high fine, therefore organizers are not willing to take risk and refuse organizing contests.

Sorry for this Dilemma !
