B. New Rules/ changes for HEC 2014

E.b. overall result and ranking in case of tie - valid 2014

HEC board has agreed, to make the HEC as exciting as possible over the complete season. Therefore in 2014 a final contest will be flown in the end of the HEC season, to make the whole sport season **challenging** and **fascinating** for everybody. In case of a tie the **Fly off** at this final will be taken as tie-breaker.

E.b. Overall result:

- In the **event of a tie** the winner will be determined by taking the result of the **4th best contest after the final contest**.
- If this doesn't separate the tied competitors then the result of **the fly off at the final** solve the tie.
- In case of not flown fly off the **next best contest** will be calculated.
- If this doesn't lead to a result, the **lowest sum of place numbers** of the contestants with same result will be taken.
